Roll of Honour

WORTHY PAST MASTERS OF THE DOMINION GRANGE

Organized in London, June 2nd, 1874

- 1874-1878—*S. W. HILL, Ridgeville, Ont.
1879-1880—*H. HILBORN, Uxbridge, Ont.
1881—*W. M. BLAIR, Truro, Nova Scotia.
1882—ALFRED GIFFORD, Meaford, Ont.
1883-84—*JABEL ROBINSON, Middlemarch, Ont.
1885—*ROBERT WILKIE, Blenheim, Ont.
1886—ROBERT CURRIE, Wingham, Ont.
1887-88—CHARLES MOFFATT, Edge Hill, Ont.
1889—GEORGE COPELAND, Hespeler, Ont.
1890-91—*HENRY GLENDENNING, Manilla, Ont.
1892-93—*PETER HEPINSTALL, Fordwich, Ont.
1894-95—DAWSON KENNEDY, Peterborough, Ont.
1896—*GEORGE E. FISHER, Freeman, Ont.
1897-98—W. F. W. FISHER, Burlington, Ont.
1899-03—*JABEL ROBINSON, Middlemarch, Ont.
1904-05—*HENRY GROSE, Lefroy, Ont.
1906-08—J. G. LETHBRIDGE, Strathburn, Ont.
1909-10—E. C. DRURY, Crown Hill, Ont.
1911—N. E. BURTON, Port Stanley, Ont.
1912—*HENRY GLENDENNING, Manilla, Ont.
1913-14—W. C. GOOD, Brantford, Ont.
1915—W. E. WARDELL, St. Thomas, Ont.
1916-20—J. C. DIXON, Moorefield, Ont.
PRESENT WORTHY MASTER
1921-22—HOWARD BERTRAM, Midhurst, Ont.

* Deceased.

OFFICERS DOMINION GRANGE, 1922

<i>Worthy Master</i>	HOWARD BERTRAM, R. R. 1, Midhurst
<i>Worthy Overseer</i>	J. C. DIXON, Moorefield
<i>Worthy Secretary-Treasurer</i>	HATTIE ROBINSON, R. R. 1, St. Thomas
<i>Worthy Asst. Secretary</i>	CHARLES PARKER, Minesing
<i>Worthy Chaplain</i>	JOHN PRITCHARD, Harriston
<i>Worthy Lecturer</i>	WILLIAM E. BROWN, R. R. 1, Barrie
<i>Worthy Steward</i>	DUGALD McPHERSON, Glanworth
<i>Worthy Asst. Steward</i>	ALEXANDER H. WILSON, Auten Mills
<i>Worthy Gatekeeper</i>	W. E. WARDELL, R. R. 1, St. Thomas
<i>Worthy Ceres</i>	MISS LILLIAN DOWLER, R. R. 1, St. Thomas
<i>Worthy Pomona</i>	MRS. DOLMAN, Toronto
<i>Worthy Flora</i>	MISS M. THOMPSON, Harriston
<i>Lady Assistant Steward</i>	MISS ELLA PATRICK, R.R. 2, Pt. Stanley
<i>Auditor</i>	JOHN PRITCHARD, <i>Harriston</i>

DOMINION GRANGE

(ORGANIZED IN LONDON, JUNE 2ND, 1874)

Forty-Seventh Annual Meeting

FIRST DAY

AFTERNOON SESSION

Toronto, December 12th, 1921.

The Forty-Seventh Annual Meeting of The Dominion Grange began its sessions in the Blue Room of the Carls Rite Hotel at 2 p.m.

The Worthy Master, Brother Howard Bertram, occupied the chair and called the roll of officers, filling the vacancies. The completed list were as follows:

Worthy Master—BRO. H. BERTRAM, Midhurst.
Worthy Overseer—J. J. C. DIXON, Moorefield.
Worthy Secretary-Treasurer—SISTER H. ROBINSON, St. Thomas.
Worthy Asst. Secretary—BRO. CHARLES PARKER, Minesing.
Worthy Lecturer—BRO. J. G. LETHBRIDGE, Glencoe.
Worthy Chaplain—BRO. JOHN PRITCHARD, Harriston.
Worthy Steward—BRO. DUGALD MCPHERSON, Glanworth.
Worthy Asst. Steward—BRO. ARTHUR GREEN, Allandale.
Worthy Gatekeeper—BRO. W. E. WARDELL, St. Thomas.
Worthy Ceres—SISTER DOLMAN, Toronto.
Worthy Pomona—SISTER DOWLER, Middlemarch.
Worthy Flora—SISTER THOMPSON, Harriston.
L. A. Steward—SISTER PATRICK, Port Stanley.

The Grange was then opened in the fourth degree of the order.

On motion, the minutes of the last annual meeting were adopted, as printed, a number of the copies being presented by the Secretary.

The Master then gave his annual address, as follows:

Brothers and Sisters of the Dominion Grange:

"I wish to make plain a few things which our Dominion Grange has done and can do. It has passed through the last political campaign unmolested and is true to its rights. It has done a great number of things that are of great honor to the Dominion. It has placed an education before its members that has taught them to stand for economy and equal rights for all people. We have an example in the work of one of our Past Masters, who is now Premier of our province, Hon. E. C. Drury, whilst many other Past Masters and officers have done nobly.

The problems that are discussed are well worthy of a government's consideration, such as education, agriculture, and the finances of Canada. The Grange has aimed to press these matters of great interest and I might outline a few things which we, as a Dominion Grange, might ask our government to consider. In regard to education, a substantial increase in the government grant to public schools of Ontario, such grants to be used by the trustees in each section. Text books on history and reading to be prepared and authorized, which give prominence to the pioneers of this land, showing the debt which this nation owes to them, its founders.

Attention must be given to things dealing with our order. The Grange has had three sons. The Patrons of Industry sprang up, did much good in awakening thought, but withered in the hands of the politicians. The next, the great movement in the West of which E. D. Partridge is the main mover. This is an offspring of Grange work for E. D. Partridge and his father before

him were members of old Dalston Grange in Simcoe County. This wonderful movement still lives and everybody is watching it. It was through the Grange at Crown Hill that the Hon. E. C. Drury became part of the Dominion Grange from which emanated the U. F. O., which has swept through the country, at first manned and supported by Past Masters and officers, such as J. J. Morrison, W. C. Good and others, working out the real spirit of Grange education. These last two sons are living and thriving. The mother Grange is hoping to assist them to accomplish great things, things of honor and credit to our Dominion. We, as Grange members, must strive to strengthen the hands of the men she has set to work to reconstruct the ill-fated condition of our land.

As Master of the Grange, I sincerely hope that this coming year and years we will endeavor to do more and more of our old work of the Grange.

Our order is the first organization to give women equal rights with men. We are as one body. What the man reaps for this order the women do also. I honor them for much of the work of the upbuilding of our Grange and of our country."

Paternally submitted,

HOWARD BERTRAM.

The Master's address was received and on motion adopted.

REPORT OF REPRESENTATIVE TO WESTERN FAIR

Bro. Wardell said in part: "The Western Fair had been a financial success this year but needed more accomodation. Many needed improvements had been accomplished and the prize lists had been increased, also the price of admission. The exhibits had been above the average and a great deal of interest had been taken in the fair by the city of London and surrounding country."

Bro. Dixon in moving the adoption of the report spoke of the benefit of fairs to the agricultural community, but they should leave out the "Midway" and sideshow features and come back to the real objects of an agricultural exhibition. Motion seconded by Bro. McPherson and carried.

IN MEMORIAM

Bro. J. C. Dixon moved, seconded by Bro. Wardell, and carried:

"That this Dominion Grange here assembled regret the passing of our late Brother, James McEwing, Worthy Overseer of this body and one who had always fearlessly and candidly stood up for what he thought to be the rights of the farming community. Missing his wise counsel and eloquent appeals, a letter of condolence be prepared by the Worthy Master and the Secretary and forwarded to the family of the late Brother. Also a page in the Proceedings be devoted to the late members of the Dominion Grange who had heard the summons since our last meeting: Bro. Soules, Convenor of Good of the order; Bro. W. E. Leeson, Master Dufferin Grange; Bro. Glen, a charter member of Forest Rose Grange and whom many times served as an officer of the Dominion Grange; Bro. Anthony Keat, a life long pioneer in Grange work of Edgar Grange; Bro. William Oke of Whitby Union Grange whose genial smile and hearty welcome were one of the lasting remembrances of the Grange; also that grand old gentleman, Robert Ruthven, who, like the rest, gave long life services to the order.

SPECIAL LEGISLATIVE COMMITTEE

Bro. John Pritchard reported for the Committee, consisting of himself, Bros. Bertram and Harry Priest, stating they had an interview with Hon. E. C. Drury, Hon. R. H. Grant and A. E. Raney, bringing before them the reports adopted at the last annual meeting in their respective departments and were accorded every courtesy and consideration, and no doubt the delega-

tion would help in moulding the measures brought before the Legislature. Bro. Lethbridge, M. L. A., took charge of the delegation. They were invited to take dinner with the members and thus had a splendid opportunity of discussing the points brought forward from the Dominion Grange.

EDUCATIONAL

In the absence of Convenor A. C. Luck of Ninth Line Grange, the delegate of that Grange, A. Ries, opened the discussion which was continued by Bros. Stewart, Dixon, Chapman, Pritchard, Sister Delman and others.

The following were the points adopted:

The Government were justified in appropriating more money to the rural schools;

Consolidated schools brought city advantages to country pupils;

Teaching gardening and agriculture in rural schools not a success owing to holidays when most attention needed;

Trustees should not be restricted in their duties as the present policy allows no freedom of action;

Religious education needed, at least the Creed, Ten Commandments and Lord's Prayer;

The thoroughness of our schools shown by number of Canadian Professors in other lands, at large salaries;

Teachers' qualifications should include thoroughness, truth and uprightness;

Good citizenship should be taught.

TEMPERANCE

The following report, prepared by the Convenor, Judson Austin of Norfolk Grange, was read by the Secretary and on motion of Bros. Dixon and Wardell was adopted:

"Worthy Master, Brothers and Sisters of the Dominion Grange:

I see by the programme laid out by the Secretary for discussion at the Dominion Grange I am down for temperance and as it is a very important subject I will try and introduce it, knowing, by so doing, it will be discussed by persons in the Grange well qualified. My view on the subject is in favor of Dominion prohibition. The provinces which are not in favor of prohibition and by allowing spirituous liquor to be manufactured in their provinces, and knowing by so doing it will get in the other provinces, are forcing a very serious wrong on the other provinces and brings in desperadoes who are a menace to the country. Such men as these commit the bank robberies, and, I think, cause nearly all the crimes. As the Dominion Alliance states, the U. S. have to keep an armed force on the border to prevent an evil being forced on them by a friendly nation, and then it cannot be done successfully.

We are very thankful for the Provincial prohibition but we will have to fight hard to hold what we have and to gain what we need. Let us do our share in this and not leave it to the other fellow. Liquor degenerates the human race. The future of our nation depends on prohibition, to make it strong, morally, physically, intellectually and spiritually as well as financially. Hoping you will give this subject your serious consideration, I remain,

Yours fraternally,

JUDSON AUSTIN, Simcoe, R. R. 5.

GOOD ROADS

The good road policy of the present government was thoroughly discussed pro and con by Bros. Wardell, Dixon, Lethbridge and the Worthy Master.

Bro. Wardell objected to long provincial highways as being for tourist rather than rural population. He also advocated the abolition of statute labor.

Bro. Dixon complimented Hon. H. C. Biggs on the quality of the roads but objected to county councils receiving grants without some kind of check on roads built. Back concessions should be improved.

Bro. Lethbridge asked for patience and to give the Minister of Public Works time to develop his system.

The Worthy Master in summing up urged the importance of electing proper councillors or supervisors, and approved the new regulations.

METRIG SYSTEM

Dear Sisters and Brothers:

I am very much disappointed, indeed, as I am afraid just now that I will not be able to meet with you this year. I have not given up hope yet, but it looks doubtful at present.

I do not believe that our country is ready to make the change. The United States has been considering it for a 100 years and they are far from adopting it yet, they have only got as far as permitting anyone who wishes, to use it, and very few do so. And in England they have given it very little thought, although it is gaining some in that country. In France it was made compulsory by law over a 100 years ago and even yet it is not in general use among the French people.

I have conversed with a good many on the subject and find very few who know much of its advantages or disadvantages. No doubt the reason is, it has been taught in our public schools. It is studied in the colleges and the students are requested to write papers on that subject. I asked a grandson of mine, who is in his third year in McGill, to give me some thoughts on the Metric System of weight and measures, and he sent me a copy of a paper that he had prepared on the subject, I send it herewith.

Of course the Grange realizes the loss of the valuable assistance we expected from Bro. James McEwing, whose sudden death was such a shock to us all last summer. Every year we are called upon to mourn the loss of one who has gone before. I know he will be suitably remembered by the Dominion Grange.

I have had some correspondence with Bro. Pritchard, and we agree that the Grange put the matter into the hands of one of our friends who is a Member of Parliament, asking the Government to consider the desirability of passing an act that will make the Metric system of weight and measures in Canada instead of the system we now have.

And here I suggest that Bro. Lethbridge be requested to ask the Minister of Education to consider the advisability of introducing the study of the Metric system into the public schools of Ontario. The discussion in both houses and through the press would enlighten the people very much. I do not think that the Government should be urged to pass this Act until the country knows more about it, to do so would be more in the nature of a revolution than a reform.

Yours truly,

DAWSON KENNEDY, Peterborough.

The Secretary read a splendid paper by M. D. Kennedy, giving much information on both sides of the question, and a vote of thanks was tendered to him for the same.

Bro. Pritchard, the other member of the Committee, spoke briefly, advising that no action be taken at present.—*Carried.*

FORESTRY

This subject was ably handled by the members present, showing the advantages of reforestation in counties of Simcoe and Norfolk, where the Government furnishes the trees and the counties the land, thus making a valuable asset. It was also pointed out that private individuals may obtain trees on application to the department and conforming to the regulations.

Moved by Bro. Nelson, seconded by Bro. Wilson, "That the Government be urged to continue its policy of reforestation."—*Carried.*

The Worthy Master strongly endorsed the government policy of drainage in low-lying lands and Bro. Dixon suggested maintaining of government promises of work already begun.

Moved by Bro. Wardell, seconded by Bro. Ries, "That, as it is understood the U. F. W. O. intend moving in the matter of religious education in schools, the Grange appoint a committee to confer with them."—*Carried.*

LEGISLATION

Bro. Lethbridge, M. L. A. for West Middlesex, presented the report on Legislation. Referring to unjust condemnation of the Government's road policy he said it should rather be directed against county councils. The Government pays 40 per cent. and the county 20 per cent. to township work. He explained many of the difficulties and stated that deputations were continually asking for better roads and to extend highway system. He refuted charges of spoiling good roads for cement.

The superannuation bill was heartily endorsed, as the bill had eliminated useless servants of party patronage. The speaker was sure the Grange would concur with the advanced methods of legislation given by the Premier, and his solicitude of anything for the best interests.

In discussing the report, Bro. W. L. Smith said the present policy of giving 40 per cent encourages extravagance. He also spoke against the Superannuation Bill, the Minimum Labor Wage Bill, and objected to the increase of Workmen's Compensation Act. The Mother's Allowance bill had some good points but favored desertion of wives, thus increasing crime.

He complimented the Government on the Timber Inquiry and the Hydro Radial investigation, although he thought it might have been conducted more cheaply.

The Worthy Master appointed Bros. Wardell, Pritchard and Wilson, committee on election of officers.

At 5.30 the meeting adjourned to the banquetting hall of the Carls-Rite where a pleasant sight met the eye and foretold of the dainties to come.

The table was decorated with the Grange emblems of Ceres, Flora, and Pomona, and an immense Canadian flag made a picturesque and loyal background. The most delicious apples were furnished in abundance from the orchards of Apple Grove and Norfolk granges. After full justice had been done to the six course dinner the Worthy Master, Howard Bertram, opened the second part of the programme by a short address of welcome and called on Bro. Dugald McPherson for a song. This he gave in such good style, accompanied at the piano by Sister Dolman, that the audience requested and received many more. The humorous recitations of Sister Dolman also helped in making this one of the pleasantest functions undertaken by the Dominion Grange.

A telegram from Past Master W. C. Good, M.P.-elect for Brant, regretting his absence through illness was read. Chaplain John Pritchard received much attention and advice during the evening on being elected to the House of Commons for North Wellington.

Bro. J. C. Dixon, in speaking to the toast to the Grange members elected, told of the work of the organized farmers, saying they had conducted an educational campaign obtained largely through the past work of the Grange.

Bro. Pritchard replied along the same line thanking all those who had assisted him and promised to do his best for clean legislation.

Past Master Lethbridge, M.P.P., West Middlesex, told of some of the accomplishments of the Grange in securing just legislation. One of the best Masters of the past, the late Jabel Robinson, was the first member of the Grange to secure a seat in the federal parliament. Today about a dozen are members of the Commons or Legislature, including our excellent Premier, Past Master Drury, whose father, the late Chas. Drury, brought honor to the Grange and himself as the first Minister of Agriculture.

Bro. R. C. Brandon of Cannington, spoke eloquently along the same line, declaring that in the work of the Grange, carried on during the past forty years, is found the cause of the recent development of independence on a nation wide scale that is an inspiration to us all.

Bro. W. E. Brown of Dalston spoke of the future and that through the subordinate granges the education must still be maintained. His remarks were coupled with much good advice to the officers.

Bro. H. B. Cowan of the Farm and Dairy told of his visit to the West and the marvellous accomplishments of farmers co-operating in the Western Provinces and the States. In Saskatchewan a co-operative farmer's organization controls eighty per cent. of the milk trade of Regina and two-thirds of the creameries of the province. In Wisconsin over 200 cheese factories are federated; still we are only on the fringe of co-operation.

Bro. W. L. Smith of Barrie gave an address on "The International Problems of Canada" in his usual splendid style, opposing military training in the schools, religious and sectional divisions, eulogizing the Peace Conference, the disarmament of the boats on the lakes, and everything calculated to bring about a universal peace.

The proceedings were brought to a close by the National Anthem.

TUESDAY MORNING, DECEMBER 13TH

Grange resumed at 8.30, the Worthy Master, Howard Bertram, in the chair. The first order of business, adopting the report of Committee on Election of Officers, brought in by Bro. John Pritchard with the addition of the Executive Committee, which had been omitted. (For list see front page.)

The Secretary's financial report was then given as follows:

FINANCIAL STATEMENT

Receipts

Balance, last audit	\$ 167.00
Dues, members and grangers	122.12
Sales of buttons, books, etc.	1.50

HARRY PRIEST,
Assistant Secretary.

HATTIE ROBINSON,
Secretary-Treasurer.

AUDITOR'S REPORT

Toronto, December 13th, 1921.

"I have examined the accounts of the Dominion Grange and find them correct."—JOHN PRITCHARD, *Auditor.*

Moved by Bro. J. C. Dixon, seconded by Bro. Wilson, "That the secretary-treasurer's and auditor's reports be adopted."—*Carried.*

SECRETARY'S REPORT

Miss Robinson then gave the Secretary's annual report. She said in part: *Worthy Master, Sisters and Brothers:*

"I must congratulate the granges on nearly all reporting increased membership, but, alas, death has played sad havoc in our ranks, taking many whose places will be almost impossible to fill. I would be grateful if secretaries of subordinate granges would notify me on the loss of any prominent member so that suitable recognitions may be adopted. Last year our motto was, "Win one," for this year, let each Grange try to win one dormant grange. It can be done, but will require effort and after reorganization it must be sustained and encouraged. To be successful each grange must have a regular programme. The Grange National Monthly, published at Springfield, Mass., costing 42 cents a year at club rates, gives two splendid programmes each month. Take this paper and get the hints. Make use of your District Representatives and other speakers. Try dialogues, debates, singing, social events. In our office we keep full supplies of these and will be glad to give any information to your lecturer or secretary upon application. Put your lecturer to work and let him put you to work for the good of the order. Appoint a press secretary and keep yourselves before the public by means of the local press—advertise yourselves. I would suggest that we, here assembled, ask for space in the Farmers' Sun for reports of grange meetings, etc.

During the past year requests have come from both U. S. and Canada for old minutes, proceedings, song books, and data concerning the organization of the Grange in Canada from those compiling the Challenge of Agriculture and others interested in writing accounts of farm organizations.

The National Grange met in Portland, Oregon, this year with a large attendance. The Grange in the United States now numbers over 300,000 members. The new annual password will be received from there and will be transmitted to your secretaries.

In conclusion would suggest that the Dominion Grange reports for 1922 be placed in the hands of subordinate granges by asking them to volunteer with choice of subject. Thus the delegate from that grange will be prepared to lead the discussion which should be thoroughly reviewed in the home grange."

Moved by Bro. Pritchard, seconded by Bro. Parker, "That the secretary's report with suggestions be adopted."—*Carried.*

A discussion on the Ontario People's Salt Co. was led by Bro. Dixon in the absence of the manager, Bro. R. McKay. Bros. Ries, Parker, Wilson, and the Worthy Master followed and a committee, consisting of Bros. Bertram and Dixon, were appointed, on motion of Bros. Brown and McPherson, to investigate the workings of the Salt Co. well.

After discussion it was moved by Bro. Dixon and seconded by Bro. Ries, "that Bros. Wilson, Bertram and Parker be a committee on Forestry."—*Carried.*

Moved by the Secretary, seconded by Bro. Dixon, "that a hearty vote of thanks be sent the management of the Carls Rite hotel for kindness in granting use of room free for sessions and heartily recommending hotel to all members travelling."—*Carried.*

Moved by Bros. Wilson and Dixon, "that Bro. Pritchard be appointed to interview the U. F. O. government on the question of overlapping of moneys spent on the Provincial road work."—*Carried.*

The newly elected officers for 1922 were installed by Sister Robinson, assisted by the Chaplain and Master, after which the Grange was closed in due form by the Worthy Master, thus ending the pleasant and profitable session of 1921.

In Memoriam

With great sorrow we record that during the year the Divine Master has called

Our Overseer

BRO. JAMES McEWING of Drayton

Our Convenor on the Good of the Order

T. D. SOULES, Painswick Grange

also

W. E. LEESON, Dufferin Grange.

JAMES GLEN, Forest Rose Grange.

WILLIAM OKE, Union Grange.

ANTHONY KEAT, Edgar Grange.

ROBERT RUTHVEN, Eldorado Grange.

All were Masters or Past Masters of their subordinate Granges and during many years were officers of the Dominion Grange.

In their passing we have lost good friends and brothers, this Dominion Grange valuable members, the Order firm and earnest supporters. In all their relation of life we are proud to know our brothers acted well their part.
